Dear Service Provider,

We hope this message finds you well. As part of our commitment to achieving full compliance with the Florida Fire Prevention Code, we are reaching out to Service Providers involved in the Inspection, Testing, and Maintenance (ITM) of Fire Protection Systems.

Effective **January 1, 2025**, all compliant and non-compliant system test reports must be electronically submitted by your company through our new Web-Based Reporting System, [InspectionReportsOnline.net](https://www.inspectionreportsonline.net) (IROL). This initiative is in accordance with the **Destin Fire Control District Resolution 24-06**

**Code Set**  
**Florida Fire Prevention 8th Edition**

**Key Information:**

- **Reporting Platform:** [www.inspectionreportsonline.net](https://www.inspectionreportsonline.net)
- **Benefits:** Timely deficiency remediation, increased awareness, and response by Business/Property Owners, and enhanced overall system performance.
- **Fee:** A nominal fee of **\$19.99** per submitted report  **{\$5.00 for Fire Extinguisher}**. IROL offers additional fee options.

**Why IROL?** IROL's proven process provides numerous benefits for our community, such as ensuring the conditions and readiness of fire and life safety systems, increasing the frequency of repairs by addressing deficiencies, and assisting in ensuring licensed companies are performing quality ITM.

**Your Role:** Your company's participation is crucial in both Prevention and Community Risk Reduction. By partnering with us, you contribute to preserving property and protecting lives.
